NOTE:

This calendar is as current as it is until it is not. Meaning, as we know, things change in an instant as of late. I have done my best to include all of the things that would typically happen in the school year. There is NO guarantee that it all WILL actually happen. There are many events listed with question marks (???). As more information becomes available, I will be able to update you and will add or delete things from this calendar. I truly appreciate your patience and understanding as we move through this crazy year!
